

Cru West LA Leadership Application

We are so excited that you are taking this step of faith to apply to lead with Cru next year! The questions on this application are a means to ensure that you have the level of understanding, experience, and the skills to effectively maintain the messages and to carry out the purposes of Cru.

In addition to that, in order to be a recognized club at this university, there are certain questions that we need to ask to show that our leadership selection process is legal, fair, and in compliance with the university's standards.

Please answer fully, honestly, and to the best of your ability.

If you have further questions, please email Goodwin or Erin (goodwin.deng@cru.org, erin.crumley@cru.org)
